**Cc:** Torres, Alexis; McCabe, Kevin
**Subject:** Greer

Called just called me on my cell phone (NO idea where he got my number) asking whether there was supposed to be a Board meeting today.

I told him the date of our next meeting, as posted on the website. When he asks whether today's meeting was cancelled, I did not answer.

FYI....in case you get a call from 347 610 6928, it is Greer.
